THE ALLEGED ABDUCTION

statements by the chief of the fire department.

AN INVESTIGATION INTO THE BELIEF

in the taking away of the girl from the

house on the morning of Wednesday

30th ult., is causing considerable indignation

to be expressed. From the Chief of Police

ANOTHER VERSION

of the affair has been learned. He stated

that about two o'clock on Wednesday

morning, he was awakened by a knockman,

who stated that he had a woman with him

who was crying and asking for his daughter.

He stated that she was at a hotel and could not

be obtained, they refusing to give her up.

The Chief stated that he could do nothing

in the matter unless the mother procured a

warrant. This was all the police saw of the

Chief. The woman was then driven down

street, and near the police station Sergeant

Dowens was encountered. The circumstances

of the case were related to him and he ac-

companied the man and woman to the hotel.

He stated that he was a detective and resided

at Aymer, Ont. The woman gave her

name as Mrs. Roche. She was a large woman,

weighing about 200 lbs., and 40 years

old, had dark hair and was fairly well

dressed. When the officer arrived at the

hotel

THE GIRL WAS MISSING.

After she had completed her toilet she

came into the presence of the woman, who said

"Is that you, May?" and threw her arms

about the girl's neck and kissed her.

When told by the woman what the object

of her visit was, and that she was her mother,

SHE DID NOT HESITATE TO GO WITH HER.

The woman represented to the officer

that her home was in Detroit, Mich., and

that she had recently married a wealthy man,

and that he had wished her to find her

daughter, who was missing at the express

of her mother, and that she was in the city

some days ago, and then went west, where

she met the woman and came in company

with her to the city. The three left on the

early train in the morning, bound for

Detroit.

It having been ascertained that Sgt.

Dowens was

REWARDED BY THE LADY

for his services, he emphatically denies

that he received any money, or was even

promised any.

Public opinion has been so strongly

in connection with the supposed abduction,

that the Police Commissioner will at an

early date hold an inquiry into the conduct

of Sgt. Dowens, and will endeavor to

enveloped in flames, and totally consumed.

The first and bowling alley, owned by the

Picton Rink Company, and during the summer

months leased by the Cleveland Road Co.

In creating the office of Minister of Trade and Commerce, placing at the head of it the Hon. Mackenzie Bowell and transferring to him, gentleman to the Governor-General, Sir John Abbott, has been satisfactorily performed.

others are looked after by the federal parliament at present with regard to the tariff. It would not be wise to make a change. In 1891 the Ministry of Commerce and Industries was created as a separate department with three different branches. The tariff assigned to the minister of the interior, the customs to the minister of finance and the navigation to the minister of marine and fisheries. For instance, our bureau has to deal with the direction of foreign commerce, the tariff, the navigation, the preparation of the laws and the regulation of customs and navigation and the preparation of the laws and the regulation of customs and navigation.

In respect to this, I leave the necessary order for the preparation of the laws and the regulation of customs and navigation to the minister of the interior, the customs to the minister of finance and the navigation to the minister of marine and fisheries. Commencing with the new year, we propose doing away with the CREDIT SYSTEM in connection with subscribers to our DAILY, selling only for cash over the counter at one cent per copy. Our subscribers will be waited upon by mail that day by our agents, who will contract to deliver the paper at residences for an extra cent per week.

No better preparation for the fair has ever been received than Ayer's Hair Vigor. It restores the original color to faded and gray hair, and imparts that natural gloss and freshness everyone so much admires. Its reputation is world-wide.

When kidneys are clogged, good health is an impossibility; but when working properly the reverse is the case. That kidney-ache is the kidney's cry for relief. If it is a kidney ailment, it will be relieved by the use of Ayer's Kidney Pills. We have never known a case of kidney-ache that a few boxes of Ayer's Kidney Pills will not cure.

The general verdict of the smokers of Canada is that "Mystic Navy" is the finest tobacco they have ever used. That it is no mistake upon this point, for it is proved by this tangible evidence. The large demand for this tobacco shows it to be true, and the character of the demand gives further proof. It has never been so popular in this country as now, and down the coast. It has been a sustained and constantly increasing demand. The unvaried quality of the tobacco accounts for this.

Eastern Ontario Dairyman's Association.

The Kingston News says: "Mr. Wm. Duff, of Inverary, has received a letter from H. Ashby, of Belleville, Secretary of the Eastern Ontario Dairyman's Association, stating that William Ashby, the President, had changed the date of the annual convention to this city, from the first week in January to the 10th and 11th of the month. The reason he assigns for the change is that Professor Robertson, of the Dairy Department at Ottawa, cannot get away from England in time for the date which was first selected. His absence would be a great loss, as he will have very valuable information to give both chemists and dairymen about experiments made by him, and notes of his trip to the Old Country. President Rogers believes the best advice which is the Eastern Dairyman's Association will be forwarded by the change of date, and trusts the Board will agree with him."

So soon as I observed the Nervine advertisement I obtained a bottle from your druggists Messrs. John Gray & Co., Paradello, and the effect was marvellous; pain ceased and I can now enjoy sound sleep at night, and am refreshed. I cannot speak too highly of it, and heartily recommend it. GRASPING, HARBORING CAPITALISTS.

ARE WHAT OUR COMPETITORS CALL US!

GRASPING, because we want the trade of the earth! AVARICIOUS, because we hang on to the almighty dollar! CAPITALISTS, because we have the money to tear them to pieces in the wholesale market!

Well, you can see what it amounts to. Success over brings envy and distrust. If we were only half as successful, we would be feared only half as much as we are.

Our push and principle alarm our competitors. Our business grip makes them wince. Our big sales excite their envy. Our popularity is what they cannot block and must put up with.

Talk of big stocks! Shout of immense piles of goods! GOUGH knows what big stocks mean. Throughout Ontario, in the best towns, GOUGH has clothing stores. It is a notorious fact that he does the trade of the town. He buys cheaper and carries more goods than all his competitors combined.

His last great purchase of wholesale stock at 60¢ on the \$1 is a parody. This stock was manufactured by H. Sherry & Co., Montreal, and amounts to over \$20,000. Owing to the immense stock already in our main store, we were compelled to open another store.

Remember, within six weeks we have captured two stocks, amounting to over \$50,000, and when we say we are in a position to sell these goods at less than the ordinary merchant buys for, we can prove it. Ask the railroad people who receive the most goods and sell them at 10¢ to 15¢, by ten times. Notwithstanding the low prices of wheat and cry of hard time with other merchants, we are head and shoulders above the rest of the best sales on record.

Keeping the Right Clothing, Selling at the Right Price and Giving Right Good Value in the Happiest Way has done it. GOUGH is Proud of his Success. We are GOUGH.

The Exclusion Act in the United States

...the United States to resist the Chinese Exclusion Act. Hon Yung Wung, formerly Commissioner of Education for the Chinese Government, writes Rev. E. A. Demoline of this city that three different plans of resistance have been decided upon.

The constitutionality of the act will first be tested. Then the Oriental Club of New York will try to arouse public sympathy through mass meetings, and Congress will be doctored with petitions demanding a repeal of the law. A poll tax of \$1 a head will be levied on every

China in the United States to pay expenses. This will mean a fund of over \$100,000.

Finally the Chinese Government will protest, and failing retaliation will follow. There will be no recourse to arms, but there will be an abrogation of treaty rights. All commercial communication will be shut off.

A PLOT THAT FAILED.

VALPARAISO, Dec. 17.—The prisoners taken in connection with the recently discovered revolutionary plot are in prison under a strong military guard, and are denied communication with each other or with outside parties. The examination of the prisoners revealed little of interest.

They cautiously refused to make statements compromising others, though it was found that the wife of Claudio Vicuña had been supplying funds for the plotters. Vicuña is going to Europe from Buenos Ayres, now that the plot has failed. The Conservatives in Congress intend asking for the full data from the Government in relation to the

A correspondent in Rio Grande telegraphs that there is no doubt that the Castilians chiefs have given orders that all federal officers taken prisoners shall be shot. On the Uruguayan frontier the troops are preserving a semblance of neutrality. At Cacamulhu four Federal officers were

burned to death. The Government papers are attacking Uruguay for allowing the Federals facilities and the papers of Montevideo are on the warpath and declare the insults to Uruguay by the Government of Rio Grande can only be wiped out by war with Brazil.

Germany's Army Bill.
LONDON, Dec. 17.—A Berlin correspondent, referring to the German Army bill says he believes a compromise will be arranged during the recess, giving a legal basis for a two years' service with about one half of the proposed increase of the peace footing.

DREADFUL PSORIASIS

Covering Entire Body with White Scales. Suffering Fearful. Cured by Cuticura.

My disease (poorists) first broke out on my left cheek, spreading across my nose, and almost covering my face. I had bloody eyes, and the physician was afraid I would lose my eyesight altogether. It spread all over my head, and my hair all fell out, until I was nearly bald-headed. It then broke out on my arms and shoulders, until my arms were

My wife was cured of her Rheumatism, and after using two bottles CUTICURA RESOLVENT, I could see a change; and after I had taken four bottles, I was almost cured; and when I had used six bottles of CUTICURA RESOLVENT, one box of CUTICURA, and six cake of CUTICURA Soap, I was cured of the dreadful disease from which I had suffered for five years. OTTA, Dec. 17.—To-day's Gazette will not, as was generally supposed, contain any notice of the calling on the part of the dispatch of business, as the members of the House have believed that the matter would be amicably settled and that Thursday has been decided on as the date of opening of the third session of the Parliament of Canada.

It will be remembered some time was wasted in this correspondence by a very numerously signed petition received by the Governor-General

for the exercise of executive clemency in the case of Robert McGreevey, who was sentenced to 30 years in April 1997 for a violent crime. In a suit brought against him by the Hon. Thomas McGreevey, White found that he was likely to be sent "jumped his bail" and joined his famous Oren Murphy, who had his bail to New York. After a while, McGreevey returned to the state, delivered himself up peacefully, and was sentenced to one year in prison. In his remarks while sentencing Judge Boase said that to account the prisoner's age and his health he would have been discharged. McGreevey's case had not been for the act of court by escaping from his jurisdiction, for this latter offence he increased of sentence to one year. The clemency has been some time

consideration of the fact that he was in the eyes of his fellow citizens one of the men who in view of the fact that he had voluntarily surrendered he thought three months would be sufficient punishment for the escape from justice, and His Excellency in this view, has been pleased to grant him the term of imprisonment, and McGowan consequently be released on Jan. 1.

An order in council has been appointing Mr. J. H. Ballenger, private to the Hon. J. G. Haggart, to replace Mr. A. P. Bradley. Mr. Ballenger was for several years a member of the auditor-general, and on the death of Hon. Mr. Haggart took the postmaster-general's place as private secretary, a position which he has admirably filled while he has been combining the duties of secretary of the department with those

proved himself a most efficient officer. Who will be his successor in the private secretarship is not known at present, but it will be Captain H. H. G. Smith, of the Postoffice Department.

Mr. Collingwood Schreiber, Designer and Chief Engineer of the Dominion of Railways in Canada, returned from his inspection of the "Soo" reports that he was "satisfied and pleased" with the progress and progress had been made in the construction of the lock. There are no masts present, but there are a number of barges engaged in excavating the approach to the lock. There is a large quantity of material on the site, and it is expected that the contractor will be commenced work vigorously at early date in the spring.

The contract for the heating and ventilation of the lock, and for the public buildings at Orillia, has been awarded to the

Mrs. McGuire & Bird of Toronto. To-morrow's *Canada Gazette* will give notice of the calling to the Senate of Mackenzie Bowell in place of H. Alexander, whose seat was declared vacant by the death of the late Sir Samuel Henry Strong as Chief Justice of the Supreme Court, in place of Chief Justice Sir William Ritchie; Rowan Robert Fitzgerald as Charlotte, to be judge of the Court of Chancery; and H. H. Chantrell of the District of British Columbia, sub-collector of the Frederic Nicholls, managing the Canadian General Electric (limited), gave notice of the publication of the number of the company to 12.

During November the amount in the Government savings banks was \$261, and amount withdrawn \$284.

balance of credit or deposits in the bank was \$7,000, \$38,000, and \$17,000, respectively. Weeks of "intensive" negotiations followed, but having passed the necessary examination, the bank has granted a commission on the Land Surveys.

The last three notes assigned to John McGillan as Secretary of the Department of Agriculture in Canada were for \$100,000, \$100,000, and \$100,000. They announced the granting of patent increasing the capital of the Switch Manufacturing Co. from \$50,000 to \$100,000, incorporated in Canada with a working capital of \$50,000, and the incorporation of the Montreal Silk Mills Ltd. for \$75,000.

The Rush Was Immense!

Our most sanguine expectations more than realized on Saturday. Our staff of 15 salesmen were kept so busy that they did not have time to eat. On next Saturday we would advise our patrons to do their trading as early in the morning as possible, as a terrific conflagration of profits will take place on that day. Every vestige of gain will be burned in the general sweeping out. "Hustle" is GOUGH'S word. Make things hustle by concentrated hustle yourself. In order to give a snap and vim to our Christmas trade, GOUGH runs the road roller over his stock, squeezing out every atom of profit, and on Saturday next will sell at dead level cost from every line in stock, knocking a hole in the wall of prices.

COMMITTED TO PRISON.

GOING THE FULL LENGTH IN THE PANAMA CANAL AFFAIR.

The French Government is now bound to push to the bottom the charges of extortion, bribery and corruption in the Chamber of Deputies.

PARIS, Dec. 17.—Charles de Lesseps, son of Count de Lesseps, Maria Fontaine, director in the Panama Canal Co., and M. Leroy, ex-deputy, have been arrested on a charge of fraud in the management of the Panama Canal Co., and have been committed to prison.

PROBABLE ARRESTS.

PARIS, Dec. 17.—The Herald's Paris correspondent says: There is a strong belief to the effect that the Government has decided to arrest the managers of the Panama Canal Company, charged with complicity in the alleged frauds. They will be arrested, it is said, at the Court of Assize.

The situation grows in gravity. Either the Ministry or the Investigating Committee will reach. In reality the Ministry in the vote in the chamber yesterday was in the minority, since there was only an apparent majority of six votes. The vote of the eight ministers was a vote for themselves, which was contrary to all principles.

Newspapers and some politicians are accustomed for many days. They talked about the possibility and one of them in the Chamber. It will all end in a presidential crisis and the resignation of the Cabinet.

LOCKED, Dec. 17.—A Vienna special source is reported to the authorities disapprovingly regarding the Panama Canal enterprise, will lead to a representation before the Reichstag, and will lead to a representation before the Reichstag, and will lead to a representation before the Reichstag.

PARIS, Dec. 17.—Eugene Cassin, the murderer of two men, paid the penalty for his crimes, and a terrible death. He was executed by guillotine. The guillotine was brought into place and the murderer was carried to the guillotine. When Cassin was guillotined, with a terrible shriek he threw himself backward and fell to the ground. All efforts to induce him to rise were fruitless, and he groveled on the flagstones long and piteously.

When King James the first wrote his "counterblast" to tobacco, the pedant knew nothing of the "Myrtle Navy." If he had, instead of wasting his brains over his curious production, he would have filled his royal pipe with it, and would have taken a royal smoke, he would then have been prepared to admit that tobacco, in all its depredations on the human system, is all dependent on what tobacco you smoked.

We do know of any preparation that has caught the public fancy in so short a time as Dodd's Kidney Pills, but when we consider that three-fourths of the Canadian people are afflicted with kidney troubles in some form or other, and that Dodd's Pills are a quick and permanent cure for all these troubles, the large and increasing demand on scarcely be wondered at. PROCEEDINGS OF THE CONSERVATIVE CONVENTION AT MADOC.

A. W. CARSCALLAN FOR THE COMMONS.

Speeches by Hon. Mr. Howell and Messrs. H. Corby, W. B. Northrup, A. F. Wood and other Gent.

(From our own Correspondent.)

Madoc, Dec. 17, 1892.

The convention of the Conservative party, held at Madoc, was, from a Conservative standpoint, more than a success. It was a demonstration of what the party could do in North Hastings.

There are about a dozen people in all ridings, and there are also local politicians.

North Hastings has not been free from these impediments to unity of action, but when you consider the result of the riding—about 4,000 square miles, with some 10 or 20 villages scattered throughout its limits—you can understand what chances there are for disaffection or disappointed politicians to stir up strife. Yet there really has been very little of it, and the convention, though having local favoritism, agreed upon a candidate with as heartiness that is an unobtainable union of voters.

The nomination of Mr. Carscallan, by the members of the Township, beyond doubt, the Liberal party, was the result of the convention.

The Liberal party, however, was not the only party to be elected, and the organization of the convention was complete.

The representation to the convention is in fifty, so that the 102 delegates represented over 6,000 electors.

The Conservative Association, A. W. Carscallan, Esq., private banker, of Madoc, was in the chair. Mr. Howell, Esq., Secretary, was in his place. A resolution was moved and carried unanimously, declaring the result of the convention to be as follows: A second resolution, as follows, was then presented to the meeting, and after some remarks by the mover and seconder, was carried unanimously, and with enthusiasm.

Moved by James Haggerty seconded by A. F. Wood, and carried. That the convention, representing the Liberal-Conservative party of North Hastings, tender to the Hon. Macdonald, Minister of Trade and Commerce and leader of the Senate, our sincere and hearty congratulations on his being called to the second position of importance in the Government of the country, and while we regret that the acceptance of this office prevents his being the direct representative of this group, as he has so ably filled for 25 years, we cannot but commend the action of the Premier, Sir John Thompson, in appointing him to the position of so important a department, the duties of which, while responsible and onerous, have doubtless been performed with credit to the Dominion, to North Hastings and to himself, being assured that while he is not a member, he will still keep a warm corner in his heart for his old and faithful riding.

Mr. Howell replied in a very happy manner, thanking them for the long and sincere place in him. He referred to the various stages of political growth that had taken place since his connection with the riding, and at the close of his remarks was greeted with an ovation that went to show that a strong hold he had on the riding.

Nominations were then made, and were as follows: Dr. F. W. Northrup, Esq., for the riding of North Hastings, and Mr. A. W. Carscallan, Esq., for the riding of North Hastings.

Mr. A. F. Wood, M.P., then announced that he declined a nomination. His reasons briefly were—a desire on his part not to leave the Ontario Legislature at this juncture, that it would cause two elections, it was not in his personal interests and he had not refused to resign his seat in the House of Commons, and he had not refused to resign his seat in the House of Commons, and he had not refused to resign his seat in the House of Commons.

The balloting then commenced—H. Corby, Esq., M.P., W. B. Northrup, Esq., M.P., and the secretary being the scrutineers with the result of the first ballot as follows:

Dr. Bonter	11
Jas. Dunsmuir	12
Jas. Haggerty	13
Jas. Corby	22
A. W. Carscallan	42

Total—102.

This not giving a majority of the whole to any one, a second ballot was taken, resulting as follows: Dr. Bonter and Mr. Dunsmuir dropped out.

Haggerty	14
Corby	34
Carscallan	56

Total—102.

Carscallan was elected by a majority of 56 votes, and much applause, the other members joining in the congratulatory remarks.

Mr. Carscallan then addressed the convention for his nomination. Practical and eloquent speeches were then made by H. Corby, M.P., for North Hastings, and W. B. Northrup, M.P., for East Hastings, and the meeting closed with "God Save the Queen." The next convention, restricted to the members of the convention, is to be held at Madoc, on a nomination before the day of the convention, there appeared to be little doubt that he would have secured the nomination of the convention on the first ballot. As it was, it was only a short time before the convention met, but his name had been probably placed to others. He is a strong candidate, all recognize this. He has been a hard worker for the party for the last 20 years, and always liberal during the contest with time and means to the legitimate work of the campaign. There is not likely to be opposition, but if it comes there will be one of the biggest majority polled for the Conservative candidate that ever was given in this riding.

There was never a better feeling in this riding. There is a broad belief that in the present Cabinet of the Dominion, with Sir John Thompson at the head, Mr. Howell second in command, and Hon. Geo. E. Foster as Finance Minister, we have one of the strongest and the strongest cabinet since Confederation.

There is to be a mass meeting at Queensboro on the evening of Thursday—day before the nomination—which is to be addressed by H. Corby, M.P., W. B. Northrup, M.P., A. F. Wood, M.P., and others.

A Rough Sketch.

Official history of the convention, a call to the G.E.R. station, and arrested a man who gave him a name as James Thompson. He was drunk, and looking about the premises, he was arrested, he resisted, and a conveyance was called to take him to the station. The man was really James Thompson. At the police court this morning the accused was charged with drunkenness, and resisting the police, and he did not know what he did. He was sent to goal for 3 months.

City Council.

A regular session of the City Council was held last night.

Present—Mayor Rogers, Ald. Clarke, Foster, Gordon, Thompson, Burton, Levesque, Hopkins, Wallbridge, Walbridge, Graham, Langham, Giller, Sherwin, Levesque, Stirling and Doyle.

The minutes of last meeting were read and confirmed.

COMMUNICATIONS, ETC.

From J. J. Thresher asking to be appointed deputy returning officer.

The committee which was appointed to inspect the buildings on Front street, also signs in connection with stores, reported that a few of the signs were low, but none dangerous. A meeting of the committee was held at the residence of the Mayor.

The Treasurer's report for November showed a balance of \$17.85.

Reports were presented from the Executive, Water and Gas and Fire Committees all recommending the payment of accounts.

The Council went into committee of the whole on reports, Ald. Foster in the chair. The reports were adopted without discussion.

A letter was read from Mr. Bowman, G. E. of Toronto, relative to sewerage.

A motion was passed, authorizing the Mayor and Ald. Foster to wait upon Mr. Bowman in Toronto.

The committee rose and reported. Report received and adopted.

BY-LAWS.

Ald. Diamond introduced a by-law appointing two High School trustees in place of J. H. Simpson and E. Hayne.

The Council went into committee of the whole on the by-law.

The by-law was passed through its various stages and carried.

The by-law was read with the names of Messrs. H. Pringle and Wm. Clarke.

A by-law was introduced and read a first time, attempting a manufacturing concern from taxation.

The committee rose and reported. Report received and adopted.

Ald. Clarke moved that the motion referring the by-law regarding the number of liquor licenses to the By-law committee be rescinded, and the By-law read a second time.

Ald. Walmsley and Langham were in favor of the by-law being discussed by the By-law Committee, to which it was referred.

Ald. Clarke wished the by-law passed through its second reading. The discussion in January last voted in favor of the rescission of licenses, and the by-law was in harmony with the wish of the majority of the electors.

Ald. Diamond said that as the chairman of Finance and By-law committee seemed to think the motion was a reflection upon the By-law committee, and that Ald. Clarke was to blame for not being at the meeting of the committee in order to make a quorum, he thought it was as well to discuss the question as to the legality of the proposed by-law. Whilst he gave Ald. Clarke credit for being sincere in pressing the motion, he was of the opinion that the By-law committee had said that the By-law should be passed by the Council of the year in which they were elected, and before the first of May. With this the speaker agreed, and being of that opinion he could not support the present motion, and he was willing to vote for a legal by-law, he would like to have the Solicitor state his opinion.

The Solicitor being asked, said that he agreed in what had been stated by Ald. Diamond.

Ald. Clarke's motion was defeated. The yeas and nays being called, resulted as follows:

Yeas—Clarke, Gordon, Giller, Hopkins, Levesque—5.

Nays—Diamond, Doyle, Foster, Graham, Levesque, Langham, Sherwin, Stirling, Wallbridge, Walmsley—10.

The Council adjourned at 9 o'clock.

SOCIAL & PERSONAL.

Mr. T. H. Hall was to day reported as growing gradually weaker.

Mr. and Mrs. G. G. Northrup left to-day to spend their holidays with Mr. Dr. George and wife at St. Louis.

Messrs. T. Wymark, District Deputy, and W. J. London, P.D.D., went to Ontario to-day to open a new lodge of the Sons of England.

The Mayoralty.

Yesterday afternoon a large and influential delegation, consisting of some of our leading citizens, waited on Dr. W. J. Gibson, with a unanimously signed requisition of resignation, to request him to consent to a nomination to serve as Mayor for 1893.

The Doctor, while appreciating the kind intentions and good wishes of the requisitioners, in consideration of his professional engagements did not think, in justice to the citizens and himself, he could give as much time to the office as is required. He therefore declined to consent to be a candidate.

Successful Operation.

The case of Allen Corby, who was injured at a football match some weeks ago, and whose life since has at several times been in danger, has at last been successfully performed on him this morning by Drs. York, Farley and Eklund, which we are glad to learn will likely result in his restoration to health.

Nature's Choice.

This is the name of a handsomely illustrated pamphlet just gotten out by the North Hastings Association. It tells about the remarkable advantages of their property, either to the settler or the investor. John Fortin, Belleville, is the local agent of this company and would be pleased to call upon any person who wishes full information about this property.

Children's Carriages, Sleighs, Organs, Violins, and small Musical Instruments all included in the great discount sale now on at Harrison's Book Store.

A CARDINAL of new sleighs has just arrived at Fairland. Mr. Scantlebury relates that these have arrived late in the season in order to be in condition to offer them at half price until Christmas.

GRASPING, AVARICIOUS CAPITALISTS

ARE WHAT OUR COMPETITORS CALL US!

GRASPING, because we want the trade of the earth! AVARICIOUS, because we hang on to the almighty dollar! CAPITALISTS, because we have the money to tear them to pieces in the wholesale market!

Well, you can see what it amounts to. Success over brings envy and distrust. If we were only half as successful, we would be feared only half as much as we are.

Our push and principle alarm our competitors. Our business grip makes them wince. Our big sales excite their envy. Our popularity is what they cannot block and must put up with.

Talk of big stocks! Shout of immense piles of goods! GOUGH knows what big stocks mean. Throughout Ontario, in

The New Hotel.

There are at present bright prospects that an hotel which will be a credit to the city will be erected upon the old Dufur Hotel site. A number of our influential and energetic citizens have the matter in hand, and will endeavor to accomplish the purpose they have in view. The plans have been revised by Messrs. Gillen & Gillen, celebrated architects in Kingston. Yesterday afternoon a meeting of the syndicate was held, and the plans as proposed by the architects were accepted. Some material changes have been made from the plans first proposed, which will considerably lessen the expenditure, while the convenience and beauty of the building will not be lessened. At the meeting it was decided to erect a hotel of ten stories and a terrace was found to be within the limit named to Mr. Gillen the same would be accepted and the work of construction will be proceeded with as soon as it is possible to do so.

It is to be hoped that the hotel will be erected, as it will not only be an ornament to the city, but a great accommodation to the traveling public, and also tourists who may visit this section of the country during the summer months.

Sons of England.

Lodge Cumberland No. 187 instituted at Brox, Thos. Waymark, D.D., and J. W. London, P.D., on the 20th inst. visited the city, but it was not until the 21st that they were met at the Central Ontario Hotel about 80 miles from Belleville. The visitors were met at the hotel by a large number of the members of the lodge, and a comfortable quarters were provided for them. Bro. Stiel, a Windsor Lodge No. 6, Toronto, to whom it was the credit of getting the lodge started, was also on hand. The visiting brethren were warmly welcomed on leaving that Bro. A. H. Roberts, P.P., of Mercantile Lodge, Toronto, was also on hand, and kindly offered his help to assist in the work and he was heartily welcomed.

The lodge was then dedicated by Bro. Waymark, S.G.P., J. W. London, S.O.B., A.H. Roberts, S.O.C., E. Steel, S.O. Guide—after which the election of officers took place as follows:

President: Ernest Stiel; Vice: J. R. Harding; Secretary: Thos. Lett; Treasurer: S. S. Stiel; Chaplain: Rev. T. V. James; Surgeon: Dr. Harding; Committee: Bro. B. Brinklow, Bro. Thomas Peters, R. H. Waddington, R. Jackson and W. Brinklow, G. H. Latt; Outer Guard, H. Brinklow, J. P.

A great deal of enthusiasm was shown, and many of the members delivered addresses from 5 to 10 minutes to the place of meeting. Dr. Harding, formerly a member of Oxford Lodge, only asked Bro. Stiel if he was getting the Englishmen to join the lodge. After the business was over all sat down to a splendid supper provided by Bro. Stiel.

SOCIAL & PERSONAL.

Mr. W. R. Gammell, who has been in Brooklyn, N. Y., is home for the holidays. Dr. W. H. Phillips of the High School, will spend his Christmas with friends in Prince Edward.

The famous missionary, Rev. Egerton R. Young is booked for Belleville for January 10th and 11th.

Mr. Ed. Pops got back from Queen's last night in time to take in what he would not have missed for a good deal—the High School commencement entertainment.

Mr. A. Kay has returned home from the College of Pharmacy, Toronto. His vacation is for three weeks. He is accompanied by his son, Mr. R. M. Johnson, a fellow student, a son of Dr. Johnson, of Chatham, P.E.I.

Freebriety of Kingston.

This body met in St. Andrew's church on Tuesday night, when Dr. D. Wabert, of Malton, was appointed Moderator for the next term. Mr. Fortson was, at his own request, relieved of the charge of Henry Harrowfield and Wilton, to date from Jan. 25th. Cate were received from McDonald's corner to Mr. James Binnis (enrolled), and from Hilda's and Orlanthe to Mr. W. B. Smith, of Centerville, to be considered. Mr. Fortson was appointed missionary for two years in the North Hastings field. A grant of \$5 per Sabbath was asked for the new mission station at Dorchester.

We should like to know if you are a freebriety. We are a century and have a perfect right to live out that period if we can. Many do so. Consumption has been killing off a few of our youth through the centuries, but it will do so no more. Why? Because Miller's Emulsion of Cod Liver Oil, wherever used, cures consumption and the cough and lung troubles which give rise to it. It is the only remedy for the consumption of Cod Liver Oil which will reach in both the blood and the lungs, at all drug stores.

A SERIOUS CASE.

Samuel Crozier committed to Gaol charged with Bigamy.

The Accused a Bachelor of 30, was tried for Bigamy.

Samuel Crozier, a man about 25 years of age, was brought to the city this morning from St. On in the township of Lennox, and placed in the County gaol on the charge of bigamy. It appears that about 2 years ago the accused went to St. On in order to get out some timber for an Ottawa firm. He was a young man of pleasing manner, and soon became a general favorite with all in whom he came in contact with. He became acquainted with Miss Hattie Holmes, daughter of Mr. D. Holmes. In August, 1891, they were married, and all went well until about two weeks ago, when a lady appeared in the neighborhood, and claimed to be the wife of Samuel Crozier. He at first denied the charge, but it was shown that she produced the marriage certificate. His first wife was Miss Neill, her home being in the vicinity of a Carlton Place. He refused to go away with his first wife. An effort, however, was made to settle the matter, and it was supposed by some to be settled, but this proved to be a mistake. Crozier left that section immediately, but subsequently went back and gave himself up to constable Morton, who brought him to the city. The High Constable went out after the man, but he had been before his arrival.

The accused was brought before the P. M. this morning, and remanded until next Tuesday. In answer to a question he said that he had no wife, but by his first wife, or by the woman he has lately been living with.

A Crush and a Success.

The High School Pupils at their Best.

The High School commencement exercises described in our columns yesterday were concluded last evening. The students and teachers of the schools were early on hand to receive their invited guests, who began to arrive three quarters of an hour before the time fixed for the opening. The students deserve much praise for the skillful manner in which they managed to seat quite comfortably an audience twice too large for the room at their disposal. The students, from the eldest to the youngest, appreciated the presence of their distinguished guests and by their courtesy and good deportment set an example which might be copied with advantage elsewhere.

At the request of the students the chairman of the School Board, Mr. Thos. Williams, presided, and every member on the lengthy programme rendered the close attention and warm applause accorded to it. The music furnished was of high character and calculated to excite without ostentation. A harp solo by Messrs. Wolaver and Bogart was accorded, followed by Miss Edith Jones, who was excellent and the violin and piano solo of the Misses Hunter elicited deserved applause. The piano solo of the Misses Elliott showed marked talent and was well received. A vocal solo "O'er the Mountains" by Miss Edith Jones, who was excellent and the violin and piano solo of the Misses Hunter elicited deserved applause. With many elegants, public speakers, singers, and actors, Ayer's Church Festival is the favorite remedy for hoarseness and all affections of the vocal organs, throat, and lungs. Its antidote and expectorant effects are promptly realized.

When King James the first wrote his "counterblast to tobacco" the royal patent gave nothing of the "Myrtle Navy." If he had, instead of wasting his brains over his serious production, he would have filled his royal pipe with it, and would have taken a royal smoke, he would then have been prepared to admit that with regard to the injurious effects of tobacco, it all depended on what tobacco you smoked.

We do know of any preparation that has caught the public fancy to short time as Dodd's Kidney Pills, but when we consider that three-fourths of the Canadian people are afflicted with kidney troubles in some form or other, and that Dodd's Pills are a quick and permanent cure for all these troubles, the large and increasing demand can scarcely be wondered at. Sold by all dealers or by mail on receipt of price 50c. per box. Dr. E. A. Smith & Co., Toronto.

North Hastings Election.

The Conservatives United.—An Active Campaigner.

The Girls of North Hastings in the pending election placed a candidate in the field, in the hope of catching a new recruit. They expected to find the Conservatives sleeping, divided by local jealousies and other causes, which would place them at a disadvantage. Such, however, is far from being the case, for the party are well up on the popular platform Mr. Carswell, whose candidature is being heartily and enthusiastically supported throughout the riding. In the face of opposition the Conservatives are thoroughly united and have entered upon the campaign in earnest. Mr. John Carter yesterday started north and will conduct an active and thorough campaign for Mr. Carswell in the Township of Macdonald. Other prominent members of the party have also buckled on the harness and a short and decisive campaign has been entered upon. That Mr. Carswell will be elected by a routing majority, there is no doubt, and the Girls will learn that they have no need upon the riding of North Hastings.

A Christmas Entertainment.

The annual Christmas entertainment of St. Andrew's church was held in the lecture room of the church last evening. A large number were present and an excellent programme was presented. In the course of the evening the young ladies of Mr. Macdonald's Bible class presented her with a handsome present. A carefully worded address was read by Mr. Gibson, and Mrs. Macdonald, though taken by surprise, made a feeling reply. After the remarks for good attendance, etc., were distributed among the people the evening's entertainment was brought to a close by the singing of the National Anthem.

Is There no Law to Roach Him?

John Walker, the grain buyer, has been at his old tricks again. Last night he went home drunk and turned his wife and children out in the cold, and they were compelled to seek shelter with friends. His oldest son naturally tried to protect his mother, and to-day neighbors were annoyed by a quarrel between father and son. Mr. Thomas Thompson took Mrs. Walker to his home, and there she might get warm, and the cursing of her husband was something astonishing. We would like to know if there is a law to protect defenceless women and children!

Death of a Popular Lady.

INGENIOUS, Dec. 23.—Mrs. J. W. Upper, one of Ingenu's most esteemed residents, died at her residence last evening. About 10 days ago she caught a cold and influenza, and she was unable to get up. Medical skill was of no avail. Deceased was the daughter of the Rev. Dr. Gardiner, of Belleville, formerly pastor of Charles street Methodist church in this town. Before marriage Mrs. Upper was a teacher in our public school for several years, and leaves a large circle of friends who mourn her sudden departure.

Christmas Cheer.

The Sons of England of this city have not forgotten their poorer countrymen at this festive season. To-day the committee distributed Christmas cheer to eleven English families, all of them who had been in distress. Deceased was the daughter of the Rev. Dr. Gardiner, of Belleville, formerly pastor of Charles street Methodist church in this town. Before marriage Mrs. Upper was a teacher in our public school for several years, and leaves a large circle of friends who mourn her sudden departure.

Mr. Services Appreciated.

Mr. A. Brignall has been leader of the choir of John street Presbyterian church for some time. Last night a reputation was made of him. Mr. Brignall, U. S. Thompson, J. Forie, and Prof. Coleman waited upon Mr. Brignall at his residence, and presented him with several handsomely bound volumes of poems by noted authors. The presentation was made of behalf of the congregation of St. John's church. Mr. Brignall, taken by surprise, made a suitable reply.

It is Here.

Christmas is here, and we hope all have a happy one. We, at the Oak Hall, are ready to do our duty, and we are happy. We may say the greater part of the winter trade with us is over and we are glad to see the holidays. Our customers have ever known. Cold Days.

These are very cold days and those who
have to be out without sufficient clothing
to keep them warm, must suffer. Do you
know that it does not require a large
amount of money to be properly dressed?

The high position attained and the un-
flinching support and approval of the
legislative body recently given to the
Bill, as the most excellent example known, illustrate
the value of the qualities on which this
scheme is based and are abundantly satisfying
to the California Pig Slop Company.

Mining Notes.

We learn that the Belleville Syndicate,
who already own a large tract of silver-
lode land in Harris, have taken over the Peter-
borough Company's land. This consists
of 400 acres adjoining the Belleville Syn-
dicate's property, and there is a good
strong vein on the newly acquired land.

Caused by His Employment.

On Christmas eve the employees of Mr.
C. H. Vermylen, the general proprietor of
the Oak Hall clothing house, presented him
with an address and handsome gold-
headed cane. Inscribed upon the head of
the stick was the following: "Presented to
C. H. Vermylen by the Belleville Syn-
dicate. Although completely taken by surprise the
recipient made a gallant reply. After the
presentation refreshments were partaken
of."

A Young Bignamist.

General Oresner, who has been of bigamy,
was brought before the P. M. this morning,
and was remanded for one week. It
appears that although Oresner is but 25
years of age he has been married three
times. He was first married to Miss Dow-
ney of Carleton Place, who died about one
year after marriage. In Sept. 1891, he
married Miss Emma Bell of Carleton
Place and on the 4th of July last he
married Bettie Wilson at St. O. The
last wife is living.

John St. Church.

Special Christmas services were held in
this church on Sunday evening. Rev. J. L.
George delivered eloquent sermons both
morning and evening; the text of the morning
discourse was Luke 10. In the evening
a praise service was given, which was
very much enjoyed by the large congrega-
tion. The Christmas anthems were sung
in which Mrs. Ingram, Miss Coleman, and
Miss Fox took a leading part, and Miss
Miller, of Toronto, gave a sacred solo, in a
charming contralto voice, undoubtedly the
best singing ever heard in St. O. Church.
The service was a great success, and a
very good time was spent.

Death of a Popular Minister.

After a lingering illness Mr. The. Halla-
mender of the Gas Company died on Sat-
urday night. The deceased was born at
Laurel, near London, Ont., about 35
years ago. He remained here until about
7 years ago, when he moved to Toronto,
where he resided for some time. In May,
1891, he was elected to the Belleville Syn-
dicate, and he was a member of the
same until his death. He was a very
popular man, and his death was a great
loss to the community. He was buried
in the cemetery on Sunday morning.

Aldermanic Nominations.

As will be seen below, there will be a
contest for Aldermanic honours in each Ward.

A TRIANGULAR CONTEST.

Three Candidates in the Field for
the Mayoralty.

Al. Fowell, Ald. Wallbridge and Ex-Ald.
Fetis are the candidates in each
Ward for Aldermanic honours.

Nominations for the office of Mayor and
Aldermen for the coming year were held
yesterday. It being a holiday, there was
a large attendance. That for Mayor took
place in the City Hall between the hours of
10 and 11 o'clock. The City Clerk, Mr. D. B.
Robertson was returning officer. All that
hour the hall contained a great number
of the electors. The following nomi-
nations were made:

First Ward. Mr. M. Anderson moved,
seconded by Mr. W. H. Loughnan, that
FRANCIS S. WALLBRIDGE be Mayor for
1893.

Moved by Mr. John Thompson, seconded
by Mr. Hugh Walker, that ALAN T.
FETIS be Mayor for 1893.

Moved by W. Connors, seconded by
Henry Gaudin, that DANIEL COLMAN be
Mayor for 1893.

Moved by Simon Sheehan, seconded by
Edward Deane, that THOMAS LECHESTER be
Mayor for 1893.

Moved by James Clarke, seconded by
W. Tennant, that JAMES BROWNE be Mayor
for 1893.

Moved by John Wallace, seconded by
Jas. St. Charles, that HARRY FOWELL be
Mayor for 1893.

Moved by Geo. Dulmage, seconded by
Isaac Frost, that NELSON LINGHAM be Mayor
for 1893.

Moved by W. H. Carter, seconded by
Jas. McGuire, that E. O. FORTIN be Mayor
for 1893.

Moved by Daniel Collins, seconded by
John McKenna, that CORTIS BOGART be
Mayor for 1893.

At the hour of 11 o'clock nominations
were closed.

Ald. Wallbridge was the first speaker
and was well received. He appeared before
the electors as a candidate for mayor. Ald.
Fowell, one of his opponents, was compar-
atively a stranger in the city, having lived
here but only 6 years, and besides he did
not own any property here. Ald. Fowell's
business, he contended, was a detriment to
the municipality of the city, and all the articles
he sold were manufactured elsewhere. He
said, "I have been in the field as an earlier
date he (the speaker) would in all probability
not have been a candidate. He would,
however, remain in the field. There were
important matters which would engage the
attention of the Council the coming year.
The question of sewerage would, no doubt,
be brought up. It was of great interest to
the electors. It would cost in the neigh-
bourhood of \$150,000. He did not think
the city was in a financial condition to con-
sider payment of sewerage. Upon certain
streets we did need sewerage. Those who
derive the benefit should be asked to pay
for the same by means of a tax. It should be
done. The street railway matter was another
of interest. He did what was in his
power to further this railway. We should
have it and he would endeavor to obtain it
if elected Mayor. He had served four
years in the Council and had tried to the
best of his ability to promote the city's
interest. We should curtail expenses as
much as possible. We should do every-
thing to reduce our taxes. He was born in
Belleville and lived here all his life.

Ald. Leascombe stated that he was not
a candidate for the Mayoralty.

Mr. Hugh Walker spoke in support of
Ald. A. T. Fette, who, he said, was one
of the oldest residents of the city. For 25
years Mr. Fette was a member of the City
Council, and his record was flawless.

Ex Ald. Fette said that for years past
he had been offered the nomination for
Mayor, but he had declined. For a period
of over 30 years he had been in the Council.
He was born upon Moyers' Creek, and had
always resided here. He had endeavored
to do his duty. He had not forced himself
upon the electors, but came at the call of
his friends. He had endeavored to keep
down expenses—also to lower the taxes,
which he considered were too high. Had
Mr. Wallbridge been an old resident of the
city and an old councillor, he (the speaker)
would not be in the field. Ald. Fowell was
a stranger here, and he (the speaker) was
a resident. He had endeavored to do his
duty. Under these circumstances he (the
speaker) contended that the electors were
entitled to the position of Mayor for 1893.
In conclusion, he appealed to the electors
to support him.

Ex Ald. Collins was called upon, and
said that he was a business man and should
be supported.

Mr. St. Charles spoke in favor of Ald.
Fowell. Had Mr. Fette, however, been
in the field earlier, he, the speaker, would
have been one of his supporters. Mr.
Fowell was a business man and should be
supported.

Ald. Fowell was next called upon. His
only aim, apparently, was that he was a
stranger here. He came to them as a busi-
ness man, having had considerable experi-
ence upon business here. He had been one
year in the School Board and two years
in the City Council. The two candidates
against him had stated that he, the speaker,
was a stranger here. What capital he had,
he had invested in the city, and it was his
intention to remain here. He paid taxes
to the city, amounting to \$150 per year.
He had paid a mortgage of \$1000 to the
city, and he had endeavored to do his
duty. He was prepared to-day to give
a contract for \$10,000 worth of goods to be
manufactured in the city. He was paying
out from \$2,000 to \$3,000 yearly in wages.
This money was recirculated in the city,
but the great majority of it was expended
in this city. What a member of the Coun-
cil he had been, he would be for the city's
interest. He had been the means of hav-
ing a book kept of the lighting of the gas
and electric lights and a result \$100 was
saved in a short time because the lamps
were not properly lighted. A health in-
spector of the city was paid \$100 a year.
During the past year the Inspector died
and instead of another being appointed he
had died and no one had been appointed.
This was a saving. This was accomplished
by the electors. Whilst chairman of the
Fire Committee the past year he had made
improvements which were of much val-
ue, notably the purchase of a horse
wheeled and superior hose. He was in favor
of a reduction of the number of Aldermen
from 21 to 14 and he would be glad to
be elected. He was also in favor of a street rail-
way being constructed. If elected Mayor,
he would do his best to promote the
city's welfare.

Ald. Lingham stated that he was not a
candidate for the Mayor's chair.

Mayor Bogart was called upon, and re-
turned his thanks for being nominated. He
was a candidate for the year for re-election.

THE DUTY OF THE HOUR.

It is the duty of every supporter of the Government who is a voter in North Hastings to go to the polls on Friday, the 30th inst., and mark his ballot in favor of Mr. A. W. Curran, the nominee of the Conservative convention.

Mr. Curran has proved his ability as a business man, as a municipal representative, and as one of the leaders of his party in the constituency. He is entitled to support on these grounds; and as the upholder of British connection and Canadian interests in opposition to a policy which Mr. John A. Macdonald, discredited by his latest breach as "walled treason," and which the Hon. Edward Blake no less forcibly condemned and still condemns, he ought to have the support of every loyal man, irrespective of party.

The open antagonists, who are really less dangerous than the advocates of political union by way of ungratified redoubt, have started a newspaper organ in Toronto, and are vainly boasting that they can make the vote of the Province for the next year to show that Canada is all but ready to throw off her allegiance to Britain and enter the Union. The time is therefore opportune for stamping this falsehood with its deserved and just reprobation.

Under an overwhelming majority.

An Assembly.
An assembly was held last night in the
Oldfield hall under the auspices of the
ladies of St. Michael's church. There was
a good attendance. The hall was beauti-
fully decorated for the occasion. Dancing
was kept up until an early hour this
morning, music being furnished by the
Oldfield's orchestra.

Make no Mistake.
The solid winter weather is now only
threatened. Because it is after Christmas
we try and freeze through until next
morning without the proper amount. At
the Oldfield you can get a wonderful
cure for colds from \$1 to \$5. Never has cold
been so low in price as at the present
time. No one need go cold.

Gravely to All.
The high position attained and the
universal acceptance and approval of the
liquid right of the "Gravely" of Wigs, as
the most excellent laxative known, has
caused the liquid of the quality which the
case is based and are abundantly
gratifying to the California Fig Syrup Company.

Back-Ache.
Back-ache is caused by cold kidneys.
Dr. K's Kidney Pills will remove it. By
the "p" action on the kidneys, they
in-art activity and benefit the system by
the "p" action on the blood. You cannot have
back-ache with disordered kidneys; health
and vigor depend upon their health. The
ladies are the governors of the system.
Official disorder results in kidney
and vice versa, which is Bright's disease.

THEY ENCOURAGE THEIR HELP.

Christmas Gifts Distributed to all
Tuckett's Employees.

Many Men's Most Happy.

There was a joyous scene at the tobacco
manufacture of Messrs. Geo. E. Tuckett,
308 & 310, yesterday afternoon, when all
the employees of the place assembled to re-
ceive their Christmas gifts.

It is a well known fact that no employees
of labor in Canada are more liberal with
their employees than the company named
above. Every year at this season, every
man, woman, and child who works in the
factory are remembered, and the festive
time is always looked forward to with a
great deal of pleasure.

The distribution took place at 2:30 yester-
day afternoon, and there were present
some 300 employees, engaged in the rolling,
pressing, stemming, and other departments
of the magnificent establishment.

At one end of the great room where the
workers assembled was a table, beautifully
decorated with flags and a splendid picture
of Mr. George E. Tuckett, the kind-hearted
founder of the business.

Mr. Geo. T. Tuckett, Vice President of
the Company, delivered an address, in
which he expressed the pleasure it gave
him to meet them on the eve of another
Christmas. He regretted that his father
was absent, but if he was not present physi-
cally they had him in spirit, as that morning
he had been in the factory in which Mr.
Tuckett had referred in pleasing terms to
the annual distribution, and wished them
one and all a merry Christmas and a
happy New Year! (Cheers) The speaker
said that a prosperous business has been
done in 1892, and the outlook for the firm
was encouraging. The employees had done
their duty in the past, and all that the
company desired was that they should con-
tinue to do so. In former times it had
been the habit of the old firm to grant
competing prices in the rolling department.
A change has been made by the new com-
pany. It was their intention to give each
employee a Christmas turkey, and every day
and week hand would receive a week's
wages; each summer would receive a sum
of \$100; and every year a sum of \$100.
He closed by advising them during the
coming year to be faithful in the discharge
of their duties, and so maintain good feel-
ing between themselves and their employ-
ers. Mr. Tuckett's remarks were heartily
applauded.

Mr. J. W. Lamoureux, Secretary-Treasurer
of the company, also addressed the
employees, speaking in the highest terms of
the head of the firm in the kindest terms,
and reminding them that provision had been
made for the year they had just closed
had the privilege of taking stock in the
concern. He declared that there was
not another factory in Canada where the
welfare of the hands was so well looked
after, or where they were used so kindly.
For eleven months in the year they had
constant employment and the highest
wages.

Excellent speeches were also made by
Mr. Smith, foreman of the rolling depart-
ment; Mr. Chas. Imboden, head carter; Mr.
John B. King, head of the press room; Mr.
L. Slaughter, assistant foreman of the roll-
ing department; and Mr. D. M. Cameron,
of the Island Revenue department.

Numbered tickets were then given out
to the place hands, who went below and re-
ceived the turkey which bore a correspond-
ing number.

The week and day hands repaired to the
office and received the gifts of money.

Altogether the affair was one which re-
flected credit on the firm and the work-
ing people themselves.

[The firm is now the Geo. E. Tuckett &
Son Co., Limited.]
